

DRIVE IN SERVICE REGULATIONS
AS PROVIDED BY PROVINCE OF ONTARIO

(Text in red represents our own additional comments relative to our service at Calvary).

1. Each person attending the gathering, other than the persons conducting the service, rite or ceremony, **must remain within a motor vehicle** that is designed to be closed to the elements. *(If you have a convertible, or other open vehicle, like a Jeep with removable top, please do not open your convertible, or remove the cap/doors from your Jeep, while at the drive-in service.)*
2. A person must not be in a motor vehicle that contains members of more than one household.
3. The driver of a motor vehicle must ensure that it is positioned at least two metres away from other motor vehicles. *(The Calvary parking team will organize parking in every second parking space. Please follow and obey all instructions given by our parking team members.)*
4. No more than five persons may conduct the service, rite or ceremony from outside a motor vehicle, and the persons conducting the service, rite or ceremony must remain at least two metres apart from each other and from other persons attending the gathering.
5. The persons conducting the service, rite or ceremony must ensure that any building that is intended for such activities and that is located at the place where the gathering is occurring remains closed during the gathering except for any access the persons conducting the service, rite or ceremony may reasonably require. *(This means that persons attending the service may not enter the church building for any reason, including using the bathrooms.)*
6. No materials must be exchanged, (i.) between a person conducting the service, rite or ceremony and the occupant of a motor vehicle, or (ii.) between the occupant of one motor vehicle and the occupant of any other motor vehicle. *(If you want to bring your offering to Calvary that day, please wait until service has ended, and cars have left the parking lot. Then you may drive up to the front doors, and drop your offering in the outside mail slot).*
7. A person who ordinarily uses a non-motorized vehicle because of their religious belief and who attends the gathering must remain within their non-motorized vehicle, and paragraphs 2, 3 and 6 apply with necessary modifications. *(This regulation does not apply to us.)*
